SUBJ: LOVETT HOUSE

Hello Stephanie,

Morgan Rohrback, owner of LOVETT HOUSE, has called inquiring why they have not received any follow-up correspondence since receiving their nomination approval.

I checked the LOVETT HOUSE file, and noticed that the original certificate of Historic Registration, along with a cover letter and discount card, have not yet been sent out. There is a note attached to these items, signed by Sarah (Lee, Chair), that reads as follows: ***"Teresa, Please HOLD this one. Please do NOT send. Thank you! – Sarah"***

I will be conferring with Theresa (Rice) regarding this matter also. Should you have any information pertaining to this issue, please let me know at your earliest convenience.

Thank you Stephanie!

Hi Pam:

There is a reason for the hold that I won't explain in the e-mail. I or someone from the Commission will get back to the Rorhbachs.

Thanks
Stephanie
