Dear COBI,

In regards to [Permit #PLN50955 SPR](#), I'd like to submit my comment that I am in FULL support of Commuter Comforts opening a new drive through restaurant and coffee shop in the old Key Bank location behind McDonald's. A drive through restaurant/coffee shop is a much needed business on the island in my opinion, and I would be a frequent patron of such an establishment. Many of my fellow parents with young children also agree with me, based on an informal survey I took on the Moms of Bainbridge Island Facebook group page.

Help us be better, more caffeinated parents. Please approve this business proposal!

Sincerely,  
Anna Lopiccolo
