Dear Mr Ortman:

I am attaching my comments on the proposed Winslow Hotel application cited above. The document is submitted in .doc and .pdf form.

A great deal of effort went into drafting this document because I care about the future of the island where I live.

I sincerely hope that my comments will get appropriate attention and I particularly call your attention to the final section **C. Unaddressed issues.** This is of particular importance since PCD has in no way addressed these important questions and, in particular, the years of life disruption by the (out of proportion to the area) construction process itself and the actual operation issues of the completed hotel.

I am available for discussion but will be out of the US from January 12 until after the day of the Hearing Examiner hearing.

Thank you for your consideration and participation in this extraordinarily contentious issue.
