Subject: Hotel in Winslow

To Heather,

I am a resident of Bainbridge Island. I moved here from the Ballard/Phinney Ridge neighborhood which used to be a quaint smaller town. It soon became overtaken with giant buildings and people that caused local shops to close and the feeling the community that once was present to disappear. I believe that by approving a 87 room hotel in downtown Winslow will start the precedent for Bainbridge Island as well. I believe it is a ridiculous size of a hotel to put in the island and would be better suited for downtown Seattle or Bellevue. Our downtown is small and friendly, I think this would be an eyesore and create traffic and disturbance to the surround neighborhood.

I hope that you deny the hotels plans for building a 87 room hotel and continue to keep the construction plans on a smaller scale that fits the community of the island.

Thank you
