Subject: Winslow Hotel

Hello Ms. Wright,
Again, we are trying to make our voices heard in the matter of the Winslow Hotel.

[This project does not belong in this space.](#)

There are so many reasons why:

- Too large.
- Not enough parking.
- Valet parking will not eliminate the back up of traffic on Winslow Way.
- Not in keeping with the “style” of this end of Winslow. This area is starting the transition from commercial to a different zone. Wood Avenue is the boundary road. We know as we used to live there.
- The beautiful courtyard that the developers feel is so pretty and amazing, is not available to the general public. Only to the paying guests at the hotel.
- It is not meeting the current zoning guidelines.

Please, it is a lovely project, but NOT in this spot.

Judy Carlbom
