Subject: "Hearing Examiner Clerk: Winslow Hotel"

I am opposed to allowing the Winslow Hotel project to be built for the following reasons:

- **The Planning Commission denied the application for the hotel** because it does not conform to the city's Comprehensive Plan, the Winslow Master Plan or the city's Design Guidelines.
- **The site is zoned for a 15 room inn, not an 87 room full-service hotel and conference center.**
- **The hotel will generate 727 automobile trips per day, adding congestion to our already crowded Winslow Way.**
 - Additional congestion will be generated by the multiple daily service deliveries required for a hotel and event center of this size.
- **The hotel is designed for outdoor weddings and events**, which is an inappropriate use in a facility surrounded on four sides by residences, including four senior housing apartment buildings.

Please stop this project.
