No. Just NO. I live next door and that place is uninhabitable. It is an absolute waster of public funds, it is terrible design, and kids who live there will be pointed to by their schoolmates.

Density needs to be at least 2x if not 3x less. Not by driveways and huge garages, but with a green buffer. Look at Stonecress, this is how you do townhouses.

I'm busy with work but I will watch the video. I have plenty of neighbors and we ALL are against these developments.
