Hi Robin,

Glad to know you are all working through your concerns together. Bruce also informed me that they may be submitting some revisions.

The dates for Planning Commission and Hearing Examiner have not been finalized but we hope to go to Planning Commission on May 9 & 23 (if 2 meetings are needed). If that timeline stays on track, we could expect to go to the Hearing Examiner on June 13. This is all tentative. With potential revisions coming our way and project review still ongoing, these dates are subject to change.

Thanks!

Hi, Olivia,

I wanted to let you know that Jack Sheridan and I met with Bruce Anderson today to discuss our concerns about the hotel. It was a helpful meeting. Bruce noted that they've made a number of changes since they submitted their application and that they'll be submitting new documents before the Planning Commission meets.

We still have some concerns that we would like to see addressed before the city grants a CUP. I'll send you a list of those soon.

Have the meeting dates for the Planning Commission and Hearing Examiner been finalized? When you and I met you said the tentative dates were April 26 and May 9 for the PC and June 13 for the HE.

Thanks, Olivia!

Robin
