Dear Heather

I am writing to you regarding the continued hotel planning for downtown Winslow. Now it seems to be a bigger project. This is a residential area and it is my understanding that the area is zoned for a 15 room inn, not almost 100.

I cannot believe this is even being considered with a moratorium on building around the island. We must not make our island commercial and loose the small town feeling we all live here for. In my opinion, it should never have come this far. Please make it stop and consider me a NO VOTE!

Sincerely,
