Subject: PROPOSED WINSLOW HOTEL

Good morning,

The Bainbridge Planning Commission has denied the pending application of the proposed 85 room hotel in downtown Winslow. We are writing to support this position.

Such a large hotel/convention center would negatively impact the small town atmosphere of Winslow. Approval of this complex would also open the door for future, uncontrolled development that would destroy the quality of life on Bainbridge.

Please support the Planning Commission's ruling and deny this application.

Best regards,

Richard and Karen Adler
