Members of the Planning Commission

Having lived on the Island for 31 years and been on the HRB Board for a great portion of that time, I recommend approval of the Wintergreen Project.

I feel it meets Guiding Principles 3,4 and 6. HRB is a good partner in this project, which would make the 31 homes affordable in perpetuity.

We all know what a crisis housing is on Bainbridge. Approval of this project may help to alleviate some of this stress.

Thank you
