Subject: Hearing Examiner Clerk: Winslow Hotel

Dear Hearing Examiner,

Dear Hearing Examiner,

I am a senior living in one of the four senior living residences near the site of the proposed Winslow Hotel. I have attended various hearings on this proposed project, including the one when the Planning Commission rejected this project unanimously. Not only am I against this project for its potential effect on downtown traffic, the noise factor, the fact that this area is now zoned for only 15 room inns, not an eighty-seven room hotel, etc., but MOST of all because approval of this project would set a precedent for approving future large projects in downtown Winslow.

I admire architect's efforts to design this hotel with its environmental impacts in mind, but I believe that approving such a large hotel/convention center would definitely have detrimental effects on life in downtown Winslow.

Looking forward to the hearing on January 23rd, I remain,

Yours respectfully,

Mary Brown
