Hi Kim

Thanks so much, I'm looking forward to hearing the updates and additional info. The supplemental documents look promising in terms of addressing the Commissioner's requests and concerns. I'm hoping that public comment can come at the start of agenda item 4 at 6:20pm (Unfinished business, which, of course addresses the Wintergreen proposal). From my experience, especially if meetings tend to run long, its best to get public comment at the top of the agenda topic so community folks stay engaged and can confidently commit the time to participate in the public comment process. Thanks again, and any info you can offer with respect to public comment time would be much appreciated.

Cheers
Dawn

Good morning all,
I have copied Planning Director Heather Wright on your email. She advised the Planning Commission last Friday that the agenda packet for the Wintergreen Project would not be

available until Tuesday of this week.

All the best,

Kim

Hi folks,

I was looking for the link to the COBI Planning Commission meetings, and can't find a zoom meeting link, nor attendant documentation (Wintergreen proposal is a timely presentation), for the meeting this Thurs Sept 23rd. At your earliest convenience, please provide the link, agenda, public comment times, and all relevant/documentation materials.

Respectfully,

Dawn
