PLANNING COMMISSION
BAINBRIDGE ISLAND

19 NOV 25 PM 3:23

This letter is to object to the
planned plan to put an unnecessary
and unwanted hotel on Womelaw Way replacing
the very needed Children's Craft Thrift shop.

This would do nothing but cause chaos in
our half way quiet neighborhood. That and
burden our water, our sewer and all
the police and fire dept.

What is wrong with you people that
you can not see the forest for the trees?

A hotel no/underground parking? Didnt
we have enough parking problems already?
What about the infrastructure problem
this would cause.

Please pay attention to all of the
objection we citizens of this Island
have given. Do the right thing & stop
this development!

Respectfully & sincerely,

Anne R. Green
