Olaf,

I appreciate the feedback. The presentation was prepared by the applicant. The City requested that the presentation be provided ahead of the meeting to preview everything on the screen, however, it was not provided to the City until shortly before the meeting started.

In future, consider previewing your presentations. It something I always do to avoid an unprofessional presentation!

Subject: Winslow Hotel Public Participation Meeting

Good Afternoon,

Thank you for attending the Public Participation Meeting for the Winslow Hotel (PLN50880 PRE) on November 26, 2018. The attendance was outstanding and we truly appreciate your time and your comments. We apologize, again, for the poor visibility of the site plans and other drawings. The site plans and drawings, notes from the meeting, and the preapplication letter with reference to specific development regulations are attached.

Should the applicant submit an application for a land use permit, you will receive a Notice in the mail with a comment period and will be invited to submit formal public comment.

Please let me know if you have any questions. Thank you!
