Annie,

We are currently working on submitting the requested information for Landurka LLC RUE / PLN51049B.

We are trying to get a survey completed to submit with this. Surveyors are very busy at this time and there is the possibility that it will not be completed within the 60 day window that we have to respond. I would like your assurance

that our RUE will not get cancelled if we cannot submit before the deadline. If we absolutely must submit the information before then,

can I send you everything else before and then send you the survey when it is completed?

Thank you

Hi Kim,

I need to request a bit more info on this application before I can deem it complete. You may submit your additional materials to me directly, via a single email.
