Subject: comment re: permit # PLN50880 SPR CUP

COBI:

My husband and I are the property owners of 206 Grow Ave., immediate neighbors of 241 & 253 Winslow Way. We received notification (NOA) re: their pending application for permit #PLN50880 SPR CUP. We are concerned about how this project might impact our property. We would like to know the requested height and number of floors for the 11 units as losing the limited daylight currently enjoyed and privacy would significantly impact our property's value and aesthetics. Thank you for assistance with this.

Regards, Linda and Greg Stevenson
