**Subject:** Please oppose the proposed Winslow Hotel and Conference Center

I strongly agree with the Planning Commission that the proposed Winslow hotel is too big and its use is too intense for the downtown core.

The hotel is not consistent with the city's Comprehensive Plan and Winslow Master Plan, which emphasize maintaining Winslow's "small town feel," creating public open spaces, and providing services for residents.

I hope you will agree with the Planning Commission and reject the proposal for 87 room hotel and conference center.
