Located in 4 separate buildings, nearly 200 seniors live on the perimeter of the proposed hotel's footprint.

Our concerns center around the inevitable 24 hour a day noise pollution, air pollution,

construction chaos, increased traffic congestion, not to mention the many other neighborhood disruptions caused by daily deliveries and garbage pickups. We are opposed to the serious depletion of the quality of life for our most vulnerable citizens.

Please sign this petition to deny development of this proposed 75 room hotel, restaurant, bar, spa, amphitheater and banquet facility scheduled to be located on Winslow Way West between Finch Place SW and Wood Avenue.
