Hello,

Please delete my prior email, which was (obviously) sent before I had fully composed it!

I'm writing to oppose the construction of the Winslow Hotel. It's size will overwhelm that part of downtown. I'm especially concerned about the impacts of noise and traffic on the senior residences that abound in that area. The planning commission opposed it for good reasons. It's out of compliance with the comprehensive plan. A 15 room boutique hotel is one thing. 87 rooms with outdoor events is totally different!

I hope that the Hearing Examiner will nix this huge development in our folksy little downtown.

Sincerely,
Eileen Nicol
