Subject:	Neighbors affected by Dock building proposal on Little Manzanita Bay
Attachments:	List of Affected Neighbors sent to City.docx

Dear David,
Thanks for our recent conversation on the phone. I'm sure you are becoming aware of the extent of neighborhood distress about this proposal.

I just looked at the City's list of potentially affected neighbors on the website.
I think it's incomplete.

Many of the waterfront folks on the south side of Little Manzanita Bay, who are most affected because the dock would be directly in our view, are not on the City's list. So, I thought I'd share with you our own list of neighbors in the hope that it will be helpful to you. I can't vouch for complete accuracy, of course. But it will show you how many of us are on the south side of the bay!

Warm regards,
Cheryl Coon
