Hi Jim,

The Council does not get to vote on this project but the Planning Commission does and they will be discussing it this Thursday.

I think the best way to get your email to the Planning Commission is through Jane Rasely, who I've copied. If you send an email to her, she will forward it to the Planning Commission members.

Jane, if there is a better way to do that please let me and Mr. Thresher know.

Thanks,
Sarah
