Ms. Fairleigh,

On January 7, 2018 I sent you by email a public comment on PLN50590. That email included a copy of a "No-Divide" covenant burdening Lot O, in favor of Lots L and M. See 1st attachment, pages 38 to 43 of the pdf file.

This email dated January 14, 2018 is my second public comment. See 2nd attachment for some background information on the Lot O "No-Divide" covenant .
