

If you want to use
this path to Koura Rd in
the future, please put your int's
down. The house that is on

Koura does not currently have
a public easement running down
its driveway. We want to convince
the owners to put one on before
they sell and avoid the risk of
having a fence put up and being
diverted to Koura Farm.

Notes: children use this easement to access

a public easement running down

in the Koura Farm section over the course of 48 hours
