Yes, we try to include a tentative hearing date with all of our notices of application, but when the dates change, we typically aren't able to update the signs. The sign and the Notice of Application you received should provide information on how to view updates (if any) for these tentative dates. You can monitor the updates by going to the City website at [bainbridgewa.gov](http://bainbridgewa.gov) and search 'Project Hearing Schedule' to view any updates on the date/time of the hearing. We encourage people to do this for every hearing in the event that times or dates change.

Thanks!

Not sure if it matters but the signs at the property still prominently shows planning meeting in April.

Hi Mike,

We are waiting on a few revisions but we anticipate a Planning Commission meeting on May 9 & 23 and then the Hearing Examiner on June 13.

The report and recommendations will be posted to the website in the Planning Commission Agenda packet about a week before the Planning Commission meeting.

Thanks!

Hi, Olivia - we were wondering:

1. Do you still expect the City Hall meeting to happen the end of April (24?)?
2. Will we get a chance to review the Planning department's evaluation, report, recommendations regarding the project? If so, when?

Thank you!

Mike
