Hello Ellen, Peter & Chris,

After much consideration and many months of diligent efforts to open a second Commuter Comforts location in the old Key Bank building, we have come to the conclusion that we can no longer move ahead with the project. We would like to make an official request to withdraw our Site Plan Review and also our Tenant Improvement permit application.

While we truly hoped to offer this second location to our customers and the Bainbridge community, we are not able to do so and will be focusing our efforts on how we can best serve our customers at our Bainbridge Terminal location.

We do truly appreciate the help from all of you throughout the Site Plan Review and TI permit application process.

Thanks so much for your efforts on behalf of Commuter Comforts.

**Don Riddell**
