To Whom it May Concern:

I was pleased to receive the notification about the City's Plan to expand the shoulders on my portion of Miller Road.

I have long supported expanding safe bicycle accommodations on Miller Road and I welcome this change.

We have a few questions:

Will this expansion of shoulders encroach on our property?

If so, will we be compensated by the City for the loss of our property?

Will trees on the edge of our property need to be removed?

Will we need to move our mailbox?

Thanks for answering our questions
