Hi,

My husband and myself have owned a business on Bainbridge for over 6 years. That being said, we cannot afford to live here. We have been looking throughout the country at affordable housing as I believe we do qualify. Of course, we would love to have our actual home be on Bainbridge as it is where our heart is. If we do not figure this out soon, we will be selling or leaving our business as it has become impossible to keep commuting.

Please consider this move to affordable housing as it is really time. I hate that Bainbridge has become so exclusive truthfully. My husband and I had lived on Bainbridge or Poulsbo for many years. It is all just so out of reach anymore for us. We are older so again this is very important. I am letting you know this and hope you seriously consider such a positive move for many like ourselves. Please keep me in this loop as well. Most Sincerely, Janaea
