Hi Mike,

Thanks for your patience. We are still working to determine whether or not an evening hearing is viable. To my knowledge, we haven't done this before. We are exploring the possibility of moving the meeting but are also trying to remain cognizant of those who would prefer the morning/daytime hearing. Unfortunately, we're going to have unhappy people either way. The applicant is willing to make either time work.

Our Hearing Examiner holds hearings at 10am and 1pm on the 2<sup>nd</sup> and 4<sup>th</sup> Thursdays of the month. If you would like to poll your neighbors about these times vs. an evening hearing, you are welcome to do so. Thanks!

Olivia - just so you know, quite a few people are upset that these meetings might be held at 10 a.m. when many people are at work. Considering the potential impact of the hotel project on/and interest by many island residents, please consider having the meetings in the evening. It would take a lot of negative noise out of the system (and our inboxes!).

Thank you!

Hi, Olivia,

I have been getting a ton of emails from people asking about the hearing date that's advertised on the two signs on the Winslow Hotel site. I know Mike Lisagor has emailed you about this too. I saw your response to him that the city won't change those dates but urges people to go to the website.

I'm wondering if it would be OK with the city if I just put a piece of tape over the April 25 date on the signs and wrote "Tentative dates: Planning Commission May 9 and May 23, 7:00 pm. Hearing Examiner June 13, 10:00 am."

That would stop people asking and showing up at City Hall on April 25.

Thanks, Olivia!
