Subject: My two e-mails already sent, regarding the 5 Madison Ave. Development Proposals

Alas, my computer "decided" to send both e-mails which you have, by now, received - without allowing me any time to reread them. - - and disallowing me to even sign the first e-mail. My name is Kay Elaine Greaves Morgan. My phone number is 206-855-2948. I had no idea my computer sent the second of the e-mails, which is why you received the first message (the one without my name). Please do know that I am well known in this community and in other communities inside Kitsap County and I will do everything in my power to stop the poor planning behind building these five developments. What greed. What lack of knowledge about the environment. What sadness.

Kay Morgan, Ph.D.
