Subject: Winslow Hotel

This is to inform you of my opinion regarding the proposed 87-98 room hotel in downtown Winslow.

No! We don't need this hotel. Parking is already an issue. This doesn't serve the general population of the Island. It's only purpose is to serve the businesses. I already avoid downtown Winslow and prefer shopping in Poulsbo. Don't push us away even more!

We are tired of the continued over development of downtown!
