Good afternoon,

My name is Katie Comboy and my family and I reside in beautiful Bainbridge Island. I recently learned that the Bainbridge Island Planning Commission is considering the Wintergreen Townhomes project, and I would like to voice my and my family's strong support for this absolutely critical addition.

When searching for housing on Bainbridge Island, one is immediately met with million-dollar listings and largely unaffordable housing. The Wintergreen Townhomes project is an incredible opportunity for BI to show our commitment to improving accessibility and housing for all people within its community, regardless of socioeconomic status.

Bainbridge Island and its community members **need** the Wintergreen Townhomes, and I hope we've moved to a community where this is recognized and accepted.

Thank you for your time,

Katie Comboy
