Subject: SEPA - Miller Road improvement project

Dear City Planner and/or BI Trails Project Manager,

While I agree to have Miller Road a more bicycle safe environment for the community.... I am opposed to cutting down the Large Old Growth trees to accommodate this goal. Please consider building the trail around the LARGE Old Growth trees and remove the smaller ones. It is better for our green belts and more enjoyable for bicycle riders and pedestrians to have a non-straight path, but one that is complementary to the old growth.

Please record my comments on this issue. Thank you.

Respectfully,

Kathy Reinders

Bainbridge Island, WA 98110
