Olivia, let's start with electronic copies and avoid another meeting and associated costs. If there is a lot of discussion, then we can have a meeting. I

thanks

Hi Joe,

Thank you for sending these. I have passed this along to the applicant. Once we have these revisions, would you like the applicant to attend another DRB meeting for review or is this something that can be distributed to the DRB members electronically?

Thanks!

Hi Olivia, When the DRB met on Jan 7th to review this project, we approved the site plan with the following conditions/recommendations. I am attaching a summary document for you to review. It was my understanding that Cutler/Anderson would be sending DRB a parking lot layout showing additional 2 feet of landscaping. Please let me know when this layout is ready for review. Also please share the summary with the applicant. Thanks a lot.

Joe
