Subject: Proposed Exit for the Bloedel Reserve
Date: Monday, July 31, 2017 6:38:49 AM

Hello,

As a north end resident that DREADS risking the life of me and my family when I turn left on a busy day, I urge the city to consider a plan to have the Bloedel Reserve exit on West Port Madison and then ADD A LIGHT on that road. The agate wood neighborhood needs this light and a way to get to it.

Thank you!
