Lara, Kelly & Dave,

Thanks. Yes, the link embedded within the e-mail works on my computer.

\*\*\* Please make sure the DRB members are aware of and understand the embedded link because it is essential to a productive meeting on June 21 that they review the video, new renderings and floor plans beforehand. \*\*\*

Also, in reviewing the three links that Lara provided, I don't see any of the letters of support that were provided before the PPM on 2/25/2021. Attached is a 2/24/2021 e-mail from Jane Rasely with a link to a city file that has the five letters of support. Also attached is a photo of the city file indicating the letters from Beattie, Tutorius, Syvertsen, Paige and Sussman. And attached are the five letters themselves. Will you please include all of these letters in the SUB, SPR and CUPA city files and alert the DRB members that they were added to the files?

Also, a friend of mine, Zach Anderson, told me he submitted a letter of support a day or two before the PPM; however, I don't see it in any of the files. He would've sent it to Kelly's e-mail and/or the [pcd@bainbridgewa.gov](mailto:pcd@bainbridgewa.gov) address.

Thanks,  
Hayes
