**Subject:** Winslow Hotel Project

After reading all the information/comments on this project I still believe that this is NOT a good fit for the neighborhood. I have watched Bainbridge Island "grow" in the last 20 years. Trees ripped out, sidewalks to nowhere, traffic congestion, are just a few negative impacts that I believe are from thoughtless and uncaring planning.

The Winslow Hotel Project is too large for this quiet neighborhood and island.

Here are my reasons why I oppose this project 1. Traffic is already a problem on Winslow Way 2. This project would generate more traffic on quiet streets in the area.

3. 24 hour traffic in the area from guests, employees and delivery trucks 4. 24 hour noise in the area from vehicles, delivery trucks and guests 5. Putting an outdoor venue in a residential area makes no sense.

6. 24 hour light pollution.

7. Parking. I read that if there was not enough parking for some events that private parking would have to be used. Where is that?

Please listen to the neighbors.

I will say again that this project is too large for this neighborhood.
