Hi Stacy,

Thanks for checking in. I don't think we need to change the wording on these two points.

With regards to #15 in Findings, the staff report and application materials accurately reflect the 501(c)3 status of your organization and this error in the Hearing examiner report doesn't impact your proposal in any way.

With regards to #16 in Decision conditions it is assumed that the dogs will be outside for exercise, training, to go to the bathroom, socialization, and more as this is all part of their training. I believe the intent of this condition is that the dogs will not be residing primarily outside or kept overnight in outdoor kennels.

I hope this helps!

Best,  
Ellen

Hi Ellen,

Thanks again for your help with the project this morning. We are so excited to be moving forward! After reviewing the document provided after the completion of the Hearing Examiner meeting, "BEFORE THE HEARING EXAMINER FOR THE CITY OF BAINBRIDGE ISLAND", Mo and I had a couple of questions we were looking to have clarified:

- **#15 in Findings:** Just to clarify, ADNW was established in 2016 and is an LLC of Assistance Dogs of Hawaii, which has been a 501(c)3 nonprofit organization since 2000.
- **#16 in Decision:** "When not being trained, dogs shall be kept inside". While the dogs will be residing indoors with trainers, they will be outdoors in fenced-areas periodically throughout the day for training as well as exercise.

Do you recommend that we change the wording for either of these within the document, or will it suffice as it stands?

Thanks Ellen!

Stacy
