Hi gals,

This came into PCD inbox. I have not done anything with it, let me know if you want me to upload to Smartgov or anything. I didn't want to get in the way of your process for this project.

Thanks!

I am writing in opposition to the proposed hotel on Winslow Way. I am well aware of the traffic problems it will cause much less the issue of parking in the area. The noise from the facility will be beyond what our little area of senior housing can abide. Please consider the residents of the block where this hotel is supposed to be built. We do not want it and find it to be the opposite of what downtown Winslow really is.

Thank you for reading my email.
