Subject: petition to refuse LONG dock in Manzaita Bay
Date: Wednesday, March 11, 2020 4:16:12 PM

I lived on that bay for 40 years--cannot think of a worse catastrophe to demonize that beautiful bay. No dock needs to be established anywhere near that length. I am hoping the City sees the foolishness of such an endeavor. It would interfere with easy use of the bay by visitors and residents.
