Subject: Winslow Hotel

Hello Ms. Wright,

I am writing to ask you to please not support the 87 room Winslow hotel. The additional load of traffic, likely tied to ferry times, will only make a difficult situation worse. As I understand it, the hotel also hopes to become a venue for events. I hope that the neighbors' needs have been taken into account. Will the noise from this not be detrimental to their lives? While I understand that progress happens, it just seems like the current location for such a large hotel is not the best one. A much smaller facility would fit better in that space and not cause such an impact on its neighbors. If it must be that large, surely there are other places not so close to a residential and already at capacity area for it to be built.

Thank you for your consideration.
