Subject: Support for Project: Lhamon/Wellbrock PLN50649 SSDP

Dear City of Bainbridge Island Planning Department,

We received notice of the proposed joint use dock, Project Name & Number: Lhamon/Wellbrock PLN50649 SSDP which is proposed in our neighborhood. We are writing to voice our **strong support** for this project. We do not have any environmental concerns and believe this project will be beneficial to our neighborhood. The Lhamon and Wellbrock families are responsible land owners and outstanding neighbors. We believe the joint dock will greatly increase our family's ability to enjoy the coastal property in our neighborhood for many years to come. Please do not hesitate to contact us with any further questions or concerns regarding this project.

Sincerely,

Richard & Monica Vaccariello
