Subject: In Support of Lowery Farm - Mr. Josh Machen

Dear Mr. Machen,

I write in support of Madrona School being granted a conditional use permit by the City of Bainbridge Island. I have had a connection to Madrona School since it began and trust that they will care for the land at Lowery Farm and address any concerns neighbors have with the utmost respect and kindness. Madrona School at Lowery Farm will be an asset to the neighboring community as well as to all of Bainbridge Island.

Thank you,

Robin Guterson
