Subject: Comment on Winslow Hotel Status

To Ms Wright,

As a long time resident of Bainbridge (arrived 1966), I am writing in support of the Planning Commission denial of the Winslow Hotel. The hotel is too big and its use too intense for the downtown core. As it is today, traffic is already congested with parking at times possible to find. While the support for all the condo and rental units being built in Winslow touts the fact that people can walk to the store, but in reality a lot of the "in Winslow residents" drive to the store. The hotel would add more cars, more congestion and bad air.

I try to support the local stores but sometimes when I have tried to find a parking space at T&C, I give up and drive to Poulsbo. This is happening more and more often. Even in the evening, parking is hard to find so we do not go to any restaurants in the downtown core. While the city promised years ago to build a parking garage, they never followed through. Please help keep Winslow a liveable place.
