Hi Jack,

You will be mailed a postcard with a link to the notice of application, comment period, tentative hearing date, and all of the documents the applicant has submitted. You can also use this link to see all the progress on the project and will be able to view other public comments as they are submitted.

At this point, we have not started the review. Planning in particular will want to assess the public comments before any substantial review begins. As comments from reviewers are completed, they will be available via the link on the postcard. Once the staff analysis report is complete, that will also be available on the link.

Thanks!

Thank you. What paperwork will be out there for us to review? Do you folks make comments we can review before then? Can we get a copy if there are any? Also, can we get a copy of the proposal? Thanks

Olivia,

I'm still out of town in Walla Walla. Back next week. Has the 14 day comment period started yet for the Winslow Hotel project? Thanks.
