Subject: Madrona School's CUP Phase III remand
Date: Tuesday, July 25, 2017 8:52:06 AM

Hi Heather,

Could we schedule a meeting this week, please?

I would like to understand where our CUP application stands in regard to the remand of Phase III that the Hearing Examiner requested.

In my last conversation with Josh in early June, he indicated that the city planning staff had determined that an additional traffic study of the assembly hall use would not be necessary, as evening use would never overlap with peak traffic times. He told me then that he would be drafting a letter to this effect to send to the Hearing Examiner.

Because I never saw anything further, I am assuming that this letter was never sent. I would like to push this along to wrap up our CUP and move forward.

Please let me know your availability to meet about this - preferably this week. Thanks,

Missi Goss
